## OUR MISSION STATEMENT

SS Peter & Paul School exists for the purpose of helping students build a strong foundation for life. We strive to give students the tools to succeed: a solid curriculum designed to help the individual grow spiritually, academically and socially. We provide a disciplined environment in which individuals can discover their abilities and share them with others, we promote participation in extracurricular activities and athletic programs that support the holistic approach of forming the entire person. SS Peter & Paul School endeavors to prepare students to strive for the final goal of all Christians—Eternal Life in Jesus Christ.

## Finance News

Dear Families,

Wow! Here we are half way through the school year. The beginning of a new calendar year is always a time of "renewal". So, as you may know, the registration form for 2010-11 has been sent. We are looking forward to the "renewal" of our student body for next year.

Over the past few months, we have been trying to balance how we operate our school, between the educational needs of our students, teachers and staff, and the business model we know we need to use to survive. I would like to thank all the Families for their continued attention to their timely payments for the services we provide. Positive cash flow allows everyone to work stress-free. As we get into the remainder of the year, let's continue to follow this

track. We all really appreciate it.

One last thing---we have a new SCRI P program we are introducing February 1. All the information you need will be in the communication packet on January 29. This will be a real boost to our already successful program. I hope you like it as much as I do. Have a great month,

Best,

Vocation Prayer: Lord Jesus Christ, help us hear your call to follow you. Open the hearts of your sons and daughters. Give us the gift of understanding to discern your invitation to serve you and your Church. Give us the gift of courage to follow you with generosity and joy. Amen
